

APPLICATION FOR ACNM IL SCHOLARSHIP TO ACNM ANNUAL MEETING

The ACNM IL Affiliate offers two (2) \$500.00 scholarships to midwifery students who are in their last year of their primary midwifery education who anticipate graduation in the current year. These scholarships are awarded to facilitate a graduating student's entrance into their professional career, and to encourage their lifetime involvement in ACNM. These scholarships are available to current student members of **ACNM IL**. (Students from other affiliates are encouraged to contact their affiliate regarding any scholarship offerings).

For 2017, the IL Affiliate has added two (2) more \$500.00 scholarships, in recognition of the annual meeting being held in Chicago. One of these is reserved for a student of color. The other criteria remain the same.

Our application process includes

- Completion of this form
- An email affirmation from a faculty/preceptor of your program acknowledging good academic standing in an academic midwifery program and expected graduation. Email to: ntshapiro@gmail.com
- A personal statement identifying why your application for this award should be considered, briefly identifying your professional dedication, financial need, and/ or other factors that can be used to weight your application.
